### "Vanity, celebrity, murder, and fabulous shoes!

REVENGE FOR OLD TIME'S SAKE has all this and more. Kris Neri's cool-under-pressure protagonist and her witty narrative voice are the reasons this series is an award winner. The clever plot twists and vivid characters bring to mind what might result from the unholy coupling of Mel Brooks and Janet Evanovich. But I'll take Tracy Eaton over Stephanie Plum any day of the week."

- Bill Fitzhugh, author of *Pest Control* and *Highway 61 Resurfaced*
